1. Travelling to Schärching

Shuttle Services

We have a very limited budget to offer shuttle services for your arrival and/or departure. So please note, that you should look for your own travel connections to Schärching, at your own expenses. Free shuttle services we will offer only for the following connections:

- **Passau Main Station to Schärching – each full hour hh:00** (NB. as Schärching is now one of the refugee border crossing hot-spots, the bus may be delayed and there may be Austrian/German border controls)
- **From some flights from Munich and Vienna airports:** We will contact you directly **by Friday, 30 October** if this service will be available to your flights. Otherwise you will have to manage your travel by yourself!

In case of delays, or any other problems we will be flexible enough to manage a new connection and help you come to Schärching in time. Our contact details are in this document.

Arriving/Departing by Train to Train Station Schärching (A) or Main Station Passau (GE)

A) arriving at Passau (German) Main Station (15km far away from Schärching)

Travelling to Schärching is easy. There are good train connections from all airports around (Vienna, Munich, Linz, Salzburg, Prague...) to Passau. Usually your train-stop will be in the German town Passau Main-Station (Passau Hauptbahnhof). We are offering a shuttle for free from there to Schärching each full hour hh:00. If you take a taxi the costs will be around €40 – 50 (we will NOT reimburse this expense)

B) arriving at Schärching Train Station (1,5km far away from registration desk)

If you take a train which stops directly at the train station “Schärching”, you should decide whether to walk 1,5 km for around 20 minutes to the registration desk in the town-centre or call a taxi under the number +43.7712.5050 which will cost less than €10.

Arrival at Vienna International Airport –Schwechat www.viennaairport.com/

Arrival at Munich International Airport www.munich-airport.de

As you see in the organigram below, it is very simple to come from Munich to Passau:

- **Munich Airport - Freising Train Station:** The Bus No 635 to “Freising Train Station” is leaving each 20 minutes from Airport Terminal 2 (hh:15, hh:35, hh:55) or Terminal 1 (hh:01, hh:21, hh:41). The bus-station you will find at:
 - Terminal 2: After exiting the luggage check-out terminal go right until you exit the indoor-area to an outdoor parking bus/shuttle/taxi square. Go to the bus-stops, there is a big sign for **Bus 635**
 - Terminal 1: The T1 has 4 sections: A-B-C-D. There are two bus-stops. Exit the hall to the road and walk to that point where section A meets section B or section C meets section D. There you will find the bus stop where no 635 (and others, be careful!) will pick you up.
- **Freising Train Station – Passau Main station:** There is a train at hh:48 (sometimes hh:49) each hour, from 05:48 to 23:48 (latest arrival to Passau 01:30). Please don't get confused when checking the map at www.bahn.de/en, you will see 2 trains leaving the same time: There is always the same train going to Passau, sometimes 2 parallel.
- **Passau Main station – Schärding:** We will offer a permanent shuttle service for our guests between Passau and Schärding. Please have a look for a small 9-seats or 20-seats bus in front of the train terminal with a European Rural Parliament sign. If you are in doubt or need some advice, please call the phone-numbers mentioned earlier.
- **Ticket:** The cheapest ticket for trips through Bavaria is to buy a “Bavaria-Ticket” (Bayern Ticket). It's not necessary to buy a specific Ticket from “Freising” to “Passau”, the Bayern Ticket is much cheaper and gives you an opportunity to save money as a group. Read comments below.

DESCRIPTION

TOUR OF THE OLD TOWN

From the Christophorus Fountain (1) on the Upper Place you can admire the gaily painted gables of Schär- ding's famous Silberzeile (2), at the top end of which is the Linzer Gate (3). From the Bank Building (4), continue to the Catholic Church (5) and from there to the Kirchengasse, which will take you past the former Holy Spirit Church (6) to Georg-Wieninger-Street (7). Turn right through the Passauer Gate (8) and proceed down to the Inn past the Leonhard-Kaiser-Memorial (9), the Ship-Dock (10) and the Götz-Tower (11). Con- tinue on to the Granitmuseum (12) and the Water-Gate (13), where you can enjoy excellent views of the Convent Neuhaus (14) on the other side of the Inn.

After passing back through the Water-Gate, you will find yourself on the Lower Place, a square lined with highly ornate patrician's houses and another fountain - the St.-Georgs-Fountain (15) - at its centre. It might be worth pausing in front of the Town Hall (17) if only to take in the square and the fresco on the House (16) opposite. Continue your tour by turning right up the hill to the Castle Gate (18) and Kubinsaal (Event Center 19), from which there is a bridge over the inner moat leading to the Castle Park (20). Not to be missed is the Castle Well (21) which was rediscovered in 2003. From the look-out, there's a magnificent view over the old Inn Bridge (22). As you come down by the narrow staircase, you will see the War Memorial (23) on the side of the castle outcrop. Walking past "Alte Innbrücke" Cyclists' and Guests' Service Center and following Kurhausstrasse will take you to the Kneipp Health Resort Kurhaus (24); a quick tour of the Orangerie Baroque Garden (25) will be well worth your while; returning on Innbruckstrasse and continuing on along Sebastian-Kneipp-Gasse will take you to the Lutheran Church (26). From here, you can take the Stein-Lane and Lamprechtstreet as far as Ludwig-Pfliegl-Lane and after passing the District Government Building (27), can walk through the Linzer Gate to the Kapsreiterweg along the Seilergraben (28). From here, there is an iron walkway leading back to the Catholic Church and from there to the Christophorus Fountain, where your tour began.
