

ERP-Gathering Kielce

Number of the workshop: 5

Name of the workshop: **Rural Europe in action. No more business as usual.**

Our responses to challenges:

- Locally adapted solutions.
- Food security, creating local chain differently.
- Behind the food cost we cant see the social values and health factor / paradigm changes needed.
- Local dialogue with desision makers. Engage more people to change policy.
- Train the local habitens to be able to present their ideas and solutions in short laps of time in order to deliver the key message.
- Presentation the political message is as important as the message itself.
- Difficult access to local developement founds cus of lack of capacity of local actors.
- Meeting new experiences in order to open new horisons for change.

Our three proposals for governments & EU

Capacity building need space in time, money, trust, communicate and newtwork out of projects. Easy accessible funding.
